GROUP

Consider joining a Restoration Group to cultivate a hopeful outlook. Check them out at indianolacc.org/groups or in the latest Seasons Update. If you're already in a group, ask your group to hold you accountable as you grow in embodying hope.

READ

BIBLE PLAN

Read the 7-day plan on YouVersion called "Experiencing Hope and Healing in a Broken World", which you can find at bible.com/reading-plans/506-experiencing-hope-and-healing

LIVE IT

You might be down, but because of Jesus victory over life and death, we have hope. Share it. Think of someone in your life that is experiencing hardship. Write them a letter to encourage them. Don't forget to include in the letter WHY we have hope. It's not just about thinking positive. It's about knowing that God is in control. He cares about us and will carry us through any storm.

What else is God showing you to do that is not on the above list? Do it.
