EXHIBIT FRUIT

SGA PROGRESS PLAN

OVER THE NEXT 1-4 WEEKS TAKE A "NEXT STEP"

GROUP

Consider joining a Community Group to grow in the fruit of the Spirit. Check them out at indianolacc.org/groups or in the latest Seasons Update. If you're already in a group, ask your group to hold you accountable as you grow in the fruit of the Spirit.

READ

Read "The Fruit of the Spirit: Cultivating Christian Character" by Stuart Briscoe

BIBLE PLAN

Read Galatians 5:22-23. Work on memorizing them over the next 9 days. As you meditate on the verses, focus on living out a different fruit of the Spirit in your life each day. At the end of each day, ask yourself, "How am I doing at living this out? How can I grow in this fruit?"

LIVE IT

After completing the "Bible Plan", identify the two attributes of the fruit of the Spirit that you had the most difficulty with. Work on each attribute for one week. Share with your family and small group what you are learning and ask for accountability.

What else is God showing you to do that is not on the above list? Do it.
